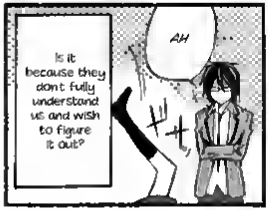
A FEW HOURS AGO...
I've been pondering on about something for a while now.
A PROBLEM DEEP INSIDE SHIRO'S MIND...
Why am I able to think for myself?
I'm not asking for a philosophical answer or anything...but is there any reason for a robot like me to have this ability?

It doesn't provide any benefits to the Supervisors.
And they actually did try to erase my memories before.
If they succeeded I would've ended up like Class Rep.



Is it because they don't fully understand us and wish to figure it out?
AH...

I'm rebelling against them, and they didn't wipe me to a clean slate.
I wonder why they didn't do it.

Was that really the reason?

They did mention something about the reconstruction of lost data...
If that's the case why would they even need to create us robots?

In this world that was created for Kamimura,
Are there any other reasons for me to exist in this world besides fulfilling my duty as a robot?
That's right...
Why was I calling out to her name back then?
They asked me why I was interested in Kamimura too.
Why did I choose to help out Kamimura afterwards?
Is there a reason as to why I am able to think like a human being?

JUST RUN! I'LL HANDLE THIS ON MY OWN!
SHIRO!!

As I suspected...

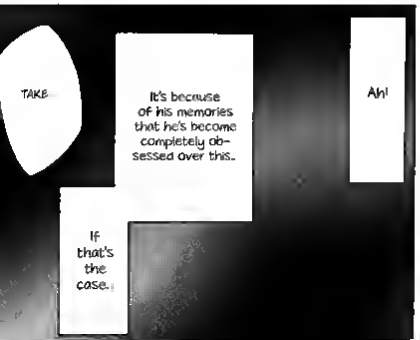
YOU'LL BECOME EVEN WEIRDER IF YOU STAY NEAR HER!
He doesn't find what she did to Kamimura the least bit unusual
NO! THE ONES WHO ARE ACTUALLY WEIRD IS US AND THIS ABSURD WORLD!
THERE'S A CHANCE THAT YOU'LL BECOME A COMPLETELY DIFFERENT PERSON, YOU KNOW?!
IF YOU CONTINUE TO STAY WITH HER,
UWAA!
WHY DID YOU GO THAT FAR FOR HER?!
SHUUSH!

I'LL ALWAYS BE YOUR FRIEND SHUUSHII
DON'T WORRY NO MATTER WHAT HAPPENS TO YOU.

I have to make him understand our actual predicament!
Is this because I've been responding to him normally?
Take is getting the wrong idea about the current situation...
I see. So this was the Supervisors' goal

PLEASE COME BACK TO YOUR SENSES ALREADY, SHUUSH!
PLEASE HE–
WRONG! YOU'RE THE ONE THAT'S BEING DECEIVED!
TAKE!
YOU'VE BEEN DECEIVED THE ENTIRE TIME!

WHY ARE YOU CHOOSING TO BELIEVE HER MORE THAN ME?!
WE'VE ALWAYS BEEN TOGETHER SINCE WE WERE KIDS, HAVEN'T WE?



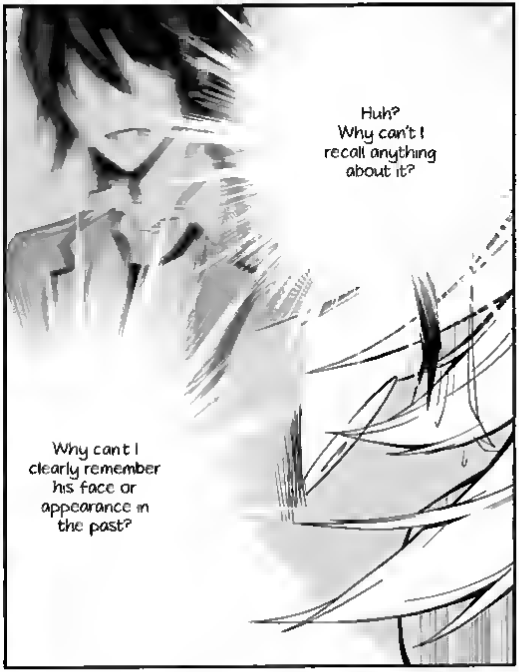
TAKE...
It's because of his memories that he's become completely obsessed over this..
Ah!
If that's the case..

What is he talking about? I don't have any memories about...
Since we were kids ?

BUT I HAVE NO MEMORIES OF YOU IN MY CHILDHOOD! THOSE MEMORIES OF YOURS ARE NOTHING MORE THAN CONVENIENT LIES CREATED FOR YOU!
I DO THINK OF YOU AS AN IMPORTANT FRIEND OF MINE.
SHUUSHI...
WHAT?!
!?
IS THE ONE INSIDE YOUR MEMORIES REALLY ME?
TRY TO REMEMBER, TAKE!
WE'RE JUST ROBOTS! WE DON'T HAVE ANY CHILDHOOD MEMORIES!
WHAT ARE YOU SAYING?
Shuushi and I have always been together since ever...

From when was that?
Since ever?

That's right I can't even remember where my parents are...

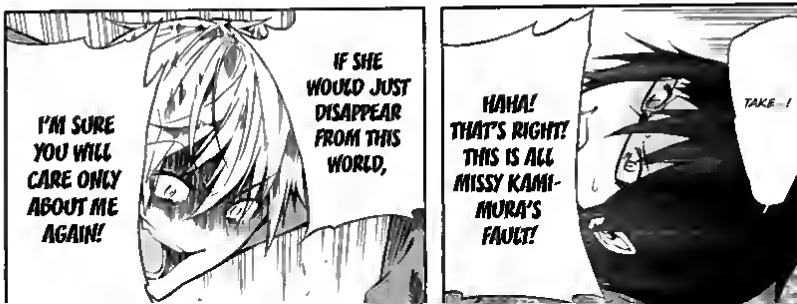


Huh? Why can't I recall anything about it?
Why can't I clearly remember his face or appearance in the past?

YOU'RE WRONG!

TAKE...

I'VE BEEN YOUR BEST FRIEND FOREVER!!
THERE'S NO WAY MY MEMORIES ABOUT YOU IS FABRICATED!!



IF SHE WOULD JUST DISAPPEAR FROM THIS WORLD,
I'M SURE YOU WILL CARE ONLY ABOUT ME AGAIN!
HAHA! THAT'S RIGHT! THIS IS ALL MISSY KAMIMURA'S FAULT!
TAKE 1

A fragment from the kick before!
If I hurt myself with it...
Damn! I can't convince him!
If I waste any more of my time on this Kamimura will...
It should be fine. A robot won't die from a little scratch
It should be fine...
Shit!
AHHH!

WHY IS THERE SOME STRANGE METAL UNDERNEATH MY SKIN INSTEAD?
BUT WHY ISN'T THERE ANY BLOOD COMING OUT?

I'M SORRY TAKE. WE'LL TALK ABOUT THIS LATER
!

THAT ALL OF MY MEMORIES WITH THE TWO OF US WERE REALLY FABRICATED?
HAHA. DOES THIS MEAN...

I MUST HELP KAMIMURA OUT RIGHT NOW.
WHY...?
HOW CAN YOU BE SO CALM ABOUT THIS?

What's going on here?!
Is this a part of their experiment too?
To Make a human-like robot go after me...
Is there any meaning for doing this?

I DON'T HAVE ANY TIME TO THINK ABOUT THIS!
GEH!
SHE'S TOO FAST!!
ALL RIGHT!
IF THAT'S THE CASE...
NINJA ARTS!!
ANJOUKEN!!

UUWA!

Wait!
She avoided it?
I'M SURE YOU CAN BECOME AN OLYMPICS ATHLETE!
WHAT A MAGNIFICENT DODGE!!

I could run away from her
If I use that to my advantage and head towards an area full of people,
Isn't she just chasing after me like the one from before?
They're processing every data continously!
No, that won't do There's the possibility that she would attack them without discrimination
Damn!
involving them for my own convenience is too...
If I think of them as I do with Shiro or Class Rep
For the time being, I should just head to school as promised!

If I fight here, I could bring an end to this without involving anyone
and I will able to use the best of my abilities in a place I know oh-so-well!
I know there's this thing placed throughout the school!
The legendary weapon! The fire extinguisher!
Furthermore,
Before, when I wanted to harass everyone around me,
I used it as an experiment to try out new things!
This is my chance to show what I've learned!
HA! COME AT ME!
DID YOU THINK THAT YOU CAN WIN WITHOUT A WEAPON?!

THAT BEAUTIFUL FACE OF YOURS...
I'LL SPRAY ALL OVER IT AND GET IT ALL STICKY WITH THIS!
プシュー
プシュー

However, that isn't the only ability the fire extinguisher has!
!?
FUFUFU...
All night! I stole her ability to see!

AHAHAHAHAHA!
HOW DOES IT FEEL LYING ON THE FLOOR WITH THAT STICKY STUFF ALL OVER YOU?!
LET'S HEAR YOU BEG FOR FORGIVENESS IN THAT UNSIGHTLY APPEARANCE OF YOURS!
